EXPERIENCE

San Jose State University School of Music and Dance, Photographer and Videographer- San Jose

November 2019- Present

I take photos and record video of events. I use lightroom to edit photos for print and social media pages. I use premiere pro to create videos for the department's social media pages.

San Jose State University Art and Art History Department, Social Media and Website Development Manager- San Jose

October 2018 - October 2019

I scheduled posts, write copy, and managed all social media content for the department which increased public engagement with our pages.

I created videos, photos, graphic design, and content on the Art department's Facebook, Instagram, Twitter, Youtube, and Vimeo pages.

I designed flyers for events and posted them online.

I created and posted copy to the SJSU Art Department website.

I photographed campus events and maintained contact with event organizers.

San Jose State University Art Gallery, Social Media Liaison

January 2019 - June 2019

I directed, edited, and produced videos for the SJSU Art Gallery's social media pages which doubled the amount of views and followers.

I wrote copy and submitted events to third party web pages.

I contacted and scheduled times with artists to interview and record them.

Exhibits

Spruces: a Student Showcase of Metal Arts, Belcher Gallery, SJSU — 28 Nov. 2017

I designed a ring that had several spinning elements on top of it including the silhouette of a woman.

Art 107 Exhibit, Gallery 5, SJSU — 4 Dec. 2018

I created a sculpture with an LED that glows brightly whenever someone posts a #protest tweet. I also presented several social disruption videos.

Campfires, Vampires, and Bees, Black Gallery, SJSU — 27 Nov. 2018

I 3d printed a sculpture that I made in Autodesk Fusion 360 and displayed the rendered file on a monitor.

Speaker Bot, Maker's Faire, San Mateo— April 2018

I explored how we hear technology by building a box that housed 10 speakers which played sounds that could be manipulated by attached switches and LEDs which lighted when in use.

Dimensions, Black Gallery, SJSU — 11 Nov. 2019

DMA Exhibition, B4BEL4B, Oakland — 6 Nov. 2019
